Drivers Wanted: Roads2Work Training Program helps fill the need for more truck drivers in central Ohio

Roads2Work is a 6-month OMJ - CFC training program to help 50 job seekers obtain full time employment in the trucking/transportation industry. Roads2Work has two tracks. TRACK A serves drivers who already have their CDL-A/B and will be offered as a "refresher course" or an On-the-Job Training (OJT) opportunity to address time-gaps in driving and length of experience. TRACK B serves new drivers delivering training to meet the demand of local and over the road companies. Beyond the technical and job search training, Roads2Work will address the enhancement of essential skills needed to obtain and maintain employment.

"The need for truck drivers is high across the state of Ohio," said COWIC/ OMJ - CFC Project Manager Jose Feliciano. "The combination of job preparation training and occupational skills training will help truck companies to address the issue of retention when it comes to good drivers."

From a positive workplace attitude and strong work ethic to financial literacy and conflict resolution, Roads2Work will help participants navigate the road to a new or improved career!

Sign up, now by contacting Wato Yattani at wyattani@cowic.org or 614-559-5150 or Jose Feliciano at jfeliciano@cowic.org. [Click here to learn more.](#)

Computer Literacy Training added to the OMJ - CFC workshop line up!

Our customers asked for it, and now, it's back! Basic Computer Literacy Skills Training is an OMJ - Columbus- Franklin County Workshop delivered by our partner, Henkels & McCoy. The three-day workshop will be delivered every week at the OMJ - CFC center, 1111 E. Broad Street, in Columbus. The class is designed to improve computer and job search skills for job seekers. In three days, participants will cover the computer basics, including:

- Introduction to a Personal Computer, Windows, Word & Excel
- Navigating the World Wide Web & Setting up a Free Email Address
- Posting a Resume Online and Applying for a Position
- Bookmarking and Accessing Career Information Sources

To sign up for the [Basic Computer Literacy Class](#), job seekers should register with OMJ- CFC and call 614-221-3398 or 614-559-5052. The OMJ - CFC Job Center also offers Resume Development and Interviewing Skills Workshops. [Click here to learn how you can access these free classes.](#)
